I sent the original email with a request that I be cc'd. When I heard nothing back I sent a follow up email asking if the letters had gone out. I did not attempt to talk with her about it.

Phil,
Thank you for letting me know. Can you let me know how you tried communicating with Amy? Also, have you talked to her about this? I need to know.
Thanks

Hi Michael,

I am not getting any confirmation from Amy that she has completed tasks I have asked for via the green form. With no response I have no way to know if follow up is needed by me. Its a black box. Specifically I only know that the grant confirmation letter went out because you mentioned it. I don't know if the Bristol Bay responses went to the tribes or their attorneys. Nor do I know if the letters went to the unsuccessful grant applicants. I asked for confirmation but did not hear anything. Its a problem.

Phil
